

Members Update – 9th September 2021

Reopening:

As at the time of writing this up-date, we do not have a set date for re-opening the clubs. All indications are that it will be a phased and staged re-opening to do with 70% of all eligible people fully vaccinated, and then another stage when we reach 80%.

All indications are that we will only be allowed to have double vaccinated patrons use the clubs facilities in the first phase of opening. This will most likely mean all club facilities, both indoor and outdoor.

The Board will make a decision on how best to reopen the 2 facilities once we know exactly what the new restrictions will be for the clubs to open, this may mean a staged approach for the 2 premises.

Club Board Elections and AGM:

The clubs elections and AGM has been postponed, with the board to set a date once the Covid lockdown orders have been lifted. Once this new date has been set members will be notified.

Club Facilities:

While in lockdown the clubs outside facilities have been maintained, and the Greens renovations have been brought forward.

The Club Narooma building works are at least 2 weeks ahead of schedule and the front works should be completed by September 17th, and on budget. The only good thing to come out of lockdown is that the workers have had a free hand with an empty club.

On behalf of the Board, Management & Staff, take care, stay safe and where possible we encourage vaccination.

Regards
